第14巻 姿なき殺人者(後編)

What could have brought around this change of thought?

So...How you're here trying to tell me that Kinyama wasn't the killer?

I have severe doubts that Kinyama is the killer! Call it police intuition if you must!

But

You were of moderate help in the last case and I had minor respect for you.

How idiotic.

But it seems city cops are just city cops after all.

I'm going
to have to talk
to that guy more...

It's a stupid
way to do things,
don't you agree?

You can't just
look at the
surface of
everything

Why can't that
grumpy haired
whore just thank
us for finding the
killer for her?

Damn it.

So who
is?

Well I guess
he's not the
killer anymore
right?

"What did you mean by that?"

You said his work wasn't finished yet

...I don't understand...

If there is a real killer...

You have all the answers you're looking for

I know you do.

I don't have nearly the ability you do.

But...I have to know the truth.

But I don't think I can figure it out on my own.

I hope
you do...

Cause I'm
pretty sure I
told you it
had all the hints
you needed.

The poem
I gave you...

Do you
still have
it?

That last and
most important of
them all.

I'll bet there's
at least one more
hint in there...

Like I said,
Kobayashi's work
wasn't completed

And...

Neither was
that poem.

The last
hint...

The first
attempt...

But where? It looks complete for all I can tell.

In short...

The picture we found in Kiyama's room is supposedly incomplete.

There must still be a girl out there that has part of the painting on her back!

There must be a hidden part of the painting still!

Maybe a dummy will work...

Which means we have to find the girl before he does.

I bet the real killer went searching for the painting and set the hours on fire to throw us off.

He's going to try and finish the painting.

! You really think there's another victim out there?

The gestures
of his victims
all seem to indicate
that.

It seems
Kiryama would
always pick up
girls that were
aesthetically pleasing
to him.

No one but
us is to know
about it.

This search
needs to be
done in absolute
secrecy.

I guess we can
just start interviewing
these girls first.

I'll get you
out of that
hell hole, Mr.
Kiryama!

Don't mess
this up!

We're relying
on you, Mr. Saitou.

I have to go
join the decoy
ambush team!

You two
help protect
the girl!

We've found
the last girl!

We will
let a girl
go.

A decoy setup?
How exciting!

With this, the
painting will
be complete!

Hehehehehe!
Completion!

ズ

At this
beautifully
painted skin,

Let's just
take a look
there.

If it meant
that pain
could be shown
to future
generations "

"I would gladly
give up my
life.

That's
what you'd
say.

Oh, yes
Of course!

I wonder how
it feels to be
burdened with
such beauty on
you?

HYAHHAH-
HAHAHA!

ALLOW ME TO
GRANT YOU
WISH THEN!

KAK?!

What the
hell is that?!

Ha?!

Ha ha ha ha ha!

WHATE?

It's a pun
on "But!"
We consider I
saw the name
on something
he said I guess
couldn't we?

Huhhich?

It's as a type of pun, until But is a question. It's also there's a pun on their connection.

We know you'd
try something
like this.

It was just
a simple
matter.

B-BUT THE
DRUGS SHOULD
PUT YOU OUT!

**DON'T
MOVE!**

All of it was
just a trap to
catch you in
the act.

All the way
to revealing the
last girl.

From telling
you the painting
wasn't complete.

You are
the true
serial killer.

**SAITOU,
HIROKI!**

You broke
into his house
to steal the final
piece of the picture
that had the signatures
on it.

You did
it all.

Then you
burned down
the studio.

An art dealer
that deals in
human art...

And then I
saw you at
Kiryama's
studio when it
was burning.

Because if Kiriyama
was ever arrested,
your special
art trade would
die in a second!

But something
had to be done
to keep the girls
quiet.

Kiryama kidnapped
and painted on
those girls all
because of you.

And everyone knows,
an "original" is worth
way more money.

Then you realized
something. There
were in a dozen
two copies of the
painting, one on
the girls' back,
and the actual
painting.

**YOU KILLED
ALL THOSE
GIRLS FOR
FUCKING
MONEY!**

MONEY!

She just looks
me; that's all.

I told her to
give to you
herself, but
I cleaned what's
up with her.

I guess it's
thanks for
helping us.

Here is a
gift from Lu.

Homemade
cookies
maybe?

Heh..Heh..

This is truly an honor

Oh my!

To find out that the Sakurabou Conglomerate's famed daughter loves our underwear! What an honor indeed!

If someone as beautiful as you did it, our sales would double!

Go Commercial!

I always knew I was beautiful enough to be an underwear model!

Wow! A commercial!

It's Colours Green

We came here today to discuss this little guy's natural diet

Oh fuck! Protest and demands say "No!" and "No!"

And there's still tons of things in the world I don't know about.

Mya...

The stuff I don't know.

I had not idea there were animals that ate parties.

Doesn't she?

Like the store in her very own city of Miami.

Oh man! She looks so hot in this one!

Hey, are they in yet?

Yup. There's a lot of stuff 'n' down I know about.

Especially the stuff this strange little creature brings by.

I'm also

Yes... Last month,
the amount of money
you spent as allowance
exceeded that of a
small country.

That is
unacceptable.

We went

CASINO
QUEEN
YAO!

I don't think you have the luck to win at cards or roulette

You were lucky enough to be born into a rich family.

You say that like that, but ..

Uhhhhh

So how about you give the slots a go?!

NOOOO!
And watch your head!

I don't give a shit what you think!

Put back those things, I don't like using machines.

Basically, fifty million

me about a month.
I need as much as I
can get.

So this is all
my win. All the
money should be
mine.

Who spun
the slot?
Missouri-!

Time for the
age of slot
machines!

this is a good
start.

Just like
I promised!

But Here's
ten times what
you gave me!

Oh well. If
you don't win
it yourself
what's the
point.

Holy shit!
Did she win
all that money?

Wow!

Wow! It's

Man, how
long has she

There must

WHY?

WHAT THE

Until the bomber
introduces
himself, not a
single one of
you is leaving!

I'll shoot
down anyone
who tries to
leave!

If someone
blows up this
city right now,
I'm going to
lose all my
savings.

IF I CAN'T
KEEP MY MONEY
THEN WE'RE ALL
GOING TO GET

I'M NOT

And I've
already started
the timer.

20 minutes

off.

And there's
only one way
to shut it off.

I'm the
guy.

If the casino
wins, my hands
will blow it
to tiny pieces.

This is the
one time I
want the
casino to win.

And I'll have
one last
victory.

There's a hundred
billion to one
chance that that
slot machine will
stop on all 7's.

I'm sorry
but...

Thankfully,
we have met

chief. The bomber
has a gun and
has taken
hostages.

I'm trying
to talk him
down now.

Come...
Get it
done!

Lul You're
in there right?
Got the door
open!

The glow of her
body as she continued
to spin the slots was
a sight to behold indeed

Yio is beyond determined
to spin the super slots
to victory. And the
people's faith in her
was well earned

Indeed...

With their hearts
and cries, all the
people of the
casino poured
encouragement
onto Yio.

But...

Little did they know
of the pure
devil in
her heart.

Only they knew
that the "Gambler"
was all into
the slots of her
casino world.

Little did they know
of the pure
devil in
her heart.

AAAAH

Her gambling
luck was all
out.

Because she was
about to become
the biggest idiot
in history, and she
knew it.

We're all
going to die!

There's only
twenty seconds
left!

Who?

Why don't
you give it
the final spin?

Hey, Mr.
Bomber...

YOU...

I'm going
to get the
blame for this
now.

Slot...

This is your
chance to make

crimes!

うんうんうんうんうん

She's trying
to shift the
responsibility!

All these other
people will
die now!

But if I
don't do it...

We're all
fucked! There's
no way I'll
spin the
jackpot!

Why did I have
to meet this
devil possessed
woman?!

Why the hell
did this have
to happen?!

On the other
hand...I'm dead.

I never
wanted to
kill anyone!

Oh God!
What do
I do?!

But there's
no way I'll
get it
done!

You! I won't
run away from
what I've done!

I still want
to live!

You were completely addicted to gambling. Not to mention, terrible at it. So I decided in order to save you I had to give you the shock of a life time.

Yup! That was my strategy all along.

So I just put everyone's life on the line...

You can become an honest citizen!

I am writing to you from prison.

Dear, Mr. Stribankey! Yes.

I can't help
but feel I'm
going back to
the...
gambling game

Thanks for
everything,
I hope you
are well.

Our trouble at
the casino the

taught me a
good lesson

You showed
that if I ever
gives up on
myself, I will be
better off dead
and you from
I'll never make

I guess

Damon, Daikou

I've been assigned
here starting
today!

This is clearly
not the job
for you!

Not to mention
all the clumsy, idiotic
muscle brained
staff!

Look at this place!
It's a rundown
sleazy building!

You should

You have such

You should be

Stop coming

BUT FOR PEOPLE
LIKE YOU!

I HAVE
NO LOVE TO
GIVE OUT!

I am overflowing
with the desire
and the ability to
help the people
of this city.

I am a saint
An angel
that looks
beyond with
my love!

Once I realized
that I decided
to become the
"Beautiful Genius
Policewoman."

ANYWAY,

This terrible
situation must be
resolved immediately!

And I just so happen
to have already
come up with a
plan!

Come a running rampant in this city. Any semblance of decency this city had has vanished!

And you officers are the ones who must lead the way to restoration!

LADIES AND GENTLEMEN!

Now, allow me to show you my magnificent plan!

The mayor has entrusted me to restore order to this city!

We will be able to observe the entire city from the roof!

And quell any problem with the regulation of high powered lasers!

They will be targetable via GPS!

First off, We will build a new police station! 120 floors above ground and 50 floors below!

We'll be able to turn criminals into ash!

They will also be able to be operated from a room in the station giving it the feeling of a video game!

And readily them into the much more elegant looking horse drawn carriage!

For the next change, I'll be eliminating all patrol cars!

Drug traffickers and the like will be allowed to operate in the open as they are mostly harmless.

Any that are arrested will have charges against them dismissed.

Everyone will have complete freedom of movement.

THE BIKINI!

The uniforms will be changed as well. Female officers will wear something that has more of a "flavor" than a suit.

Why do I have to be the model?

SIDE

BACK

And when they are leaving the station, a special squad of officers will blow them away. Eventually, we will take care of all of them.

And as a call back to the "Good old days," male officers will wear a uniform more resembling that of the classic sheriff.

POLICE

WE WILL
BRING PEACE
BACK TO
MIAMI!

WITH THOSE
FOUR SIMPLE
CHANGES...

He calls
that peace?

YOU MORON!
YOU THINK I'LL
GO ALONG
WITH ALL
THAT?!

Your

plan is the
best I've

There was

been stolen!

IT'S

WHAT?!

Why are you throwing away my ring?

Well I didn't really want to give it to you. You looked so good in this dress.

Don't be retarded

I can't move very well in that dress.

I didn't think you'd have the guts to steal the key

Awwwwww

Lucky.

Still, having that ring stolen was... how should I say...

Is it really that important?

Speaking of that, what's with that ring?

Enjoy

Something's strange...

With this many people searching they should have found it by now.

So the ring should still be in here.

The guys who installed it claimed it would be impossible to steal from the building with it there.

When we had the building built, we also installed an anti-theft sensor underne it.

Perhaps there's more to this building than it seems.

If someone indeed attempted to steal the ring, he may have had it as a difficult to find location. That way he could get it when the sensor went off.

I have two thoughts.

This treasury was rebuilt about ten years ago.

I think there's still an old construction down below.

Well...

I've thought of something.

What? Like secret rooms? Don't be stupid.

It's just a family bathroom.

It wouldn't have  
been too odd for  
people to forget  
about a few things.

There's tons of  
thousands of artifacts  
in here.

Michiko

Looks like we  
just got some  
good information!

So there is  
an old building  
underground  
you say?

That may  
be a problem...

Let's see...  
The area where  
the old building  
was is now a  
subway line.

Is there  
still an  
entrance  
to it?

Let's keep  
this talk  
a secret, ok?

Thanks a  
lot!

Of course,  
Lady Yoo.

So start digging!

to the Love  
Box!

I've been  
entrusted to  
guard this  
room!

So let's get  
in there...

We'll need to  
get that  
ring

You think  
so?

It's a room your  
parents set up  
where they could...  
things...

**IT'S NOT  
HOMELY!**

Heh! Homely  
Cupid!

So what's up  
with these love  
trinkets?

But,  
whatever...

You look just  
like an ugly  
doll!

I'm pretty  
Cupid, you idiot!

If we pass  
them, you'll  
open the door,  
right??

All you gotta  
do is convince  
me you're a true  
loving couple!

Correct!

Something so loving would surely help open the door!

Such as showing me a tender embrace while patting your partner!

No one would do something like that in front of you!

**YOU MUST BE JOKING!**

You called me here in order to help.

If we left here empty-handed I'd feel like an idiot.

As long as it's a man and woman.

Can the couple be any two people?

Left.

Enough of this shit!

We're out of here, you fool!

I'll stop if  
you want  
me to though

How about  
it?

I hope that's  
alright.

I'm just going  
to borrow Gaymon  
for a bit.

Hey... Wait  
a sec...

Sounds good  
then.

We're not married  
yet I've got no  
problem with you  
two doing it.

Heh...  
No, there's no  
problem with  
me.

You're my two  
closest friends  
after all.

So...

We're doing  
this for  
you

Wow, she  
smells so  
good

This is  
what a man  
should do!

It feels like  
I'm going to break  
here if I hug her  
too hard

I'm doing  
this for  
you!

There's another one?

Of course there is! Access to a treasury shouldn't be easy.

This one will test how well you two do in an intimate situation.

If you close enough, I'll open the next door.

**SECOND TEST!  
THE "HOW INTIMATE  
ARE YOU?" TEST!**

**ARE YOU  
FUCKING  
KIDDING  
ME?!**

Even.

Getting along well.

Have you been able to do it?

Well then I'll have to see how well you two do in an intimate situation.

HIHIHIHIHI

Shut up,  
stupid.

Thought I told  
you, I don't care.  
You two have  
no connection.

It will  
ruin your  
body.

Jealousy  
strut is  
a bad thing  
to have.

That makes  
sense.

Besides, how  
can the most  
beautiful girl  
in the universe  
be jealous?

Shall we  
continue?

The second  
test has  
been passed.

Well, I've seen  
enough from  
you two. You're  
clearly really  
close.

And as proof of  
your love, you  
must then give  
him a DEEP KISS!

Your man must  
put the ring  
on your left  
ring finger!

I don't see  
that ever  
happening.

Don't you  
want the  
ring?!

Man,  
my father  
will find it  
eventually.

How about  
it? Then we'll  
beach for now.

I'm fine with  
that. Is for you  
again.

Hey, she did  
a lot of things  
back there for  
you. You.

If she wants  
to do this, I'll  
endure too.

...Huh?

I don't give a shit  
what you want  
to do.

But I don't  
think Osamu  
will be too  
willing.

I'll do  
it.

Haha

Exactly what  
I expected from  
a man like you!

Tremble

It makes your  
finger sparkle.

Just as  
I thought.

Eh-eh

CLANG

S So everything  
up 'til now has  
just been a...

So we decided  
to go with  
this setup

We were pretty  
sure that if we  
had set up a  
normal ceremony  
you would have just  
run away

Looks like  
we got you  
good...

Looks like everyone  
got to see it

Look how big  
that screen is!

Captured  
it on my  
internal  
camera!

HURRAY FOR  
THE BRIDE  
AND GROOM!

PARTY!!!

Give  
you  
all

You fucking  
nutbar! How  
could  
you do this  
to me?

I want  
it now!

Shut  
in  
a shouting  
reel  
everybody

So from now on  
call me the "Incurable  
Married Genius  
Police Officer!"

STOP  
JOKING!

おほおほ

I never used one  
word about retiring  
after marriage.

It's about time  
for patrol, isn't  
it, Lu?

Whelp.  
♥

I KNEW BEING  
A POLICE  
OFFICER WOULD  
BE AWESOME!
